Agenda 4 To consider the allocation of net profit as legal reserve and the dividend payment for the year 2014

The Company Secretary informed the meeting that according to Article 45 of Articles of Association of the Company, “the Company shall appropriate not less than five (5) percent of its annual net profits after the deduction of accumulated loss brought forward (if any) as a reserve fund until such reserve fund reaches not less than ten (10) percent of its registered capital.” Also, the Board of Directors also had the policy to propose the shareholders’ meeting to consider paying dividend from the Company’s financial statements to general shareholders at the ratio of not less than 50 percent of the net profit after income tax deduction each year.

The Board of Directors had considered this matter and deemed it appropriate to propose the shareholders’ meeting to approve the allocation of net profit as legal reserve and the payment of dividend for the year 2014 as detailed below:

1. In 2014, the Company recorded the annual net profit of 551,836,345.30 Baht (Five Hundred and Fifty-One Million, Eight Hundred and Thirty-Six Thousand, Three Hundred and Forty-Five Baht and Thirty Satang). The Company has appropriated an amount of not less than five percent (5) of net profit or 27,591,817.27 Baht (Twenty-Seven Million, Five Hundred and Ninety-one Thousand, Eight Hundred and Seventeen Baht and Twenty-Seven Satang) for legal reserve. Currently, the Company’s legal reserve totals 41,591,817.27 Baht (Forty-One Million, Five Hundred and Ninety-one Thousand, Eight Hundred and Seventeen Baht and Twenty-Seven Satang).

2. To approve the an additional dividend payment from the six-month operating results of 2014 (for the period of July 1, 2014 to December 31, 2014) for shareholders of 3,080,121,158 shares (Three Thousand and Eighty Million, One Hundred and Twenty-One Thousand, One Hundred and Fifty-Eight Shares); paying in cash at the rate of 0.02 Baht (Two Satang) per share, amounting to 61,602,423.16 Baht (Sixty-One Million, Six Hundred and Two Thousand, Four Hundred and Twenty-Three Baht and Sixteen Satang) in total. As a result, the total dividend payment from 2014 operating results and retained earnings is equal to 0.16 Baht per share, amounting to 257,602,423.16 Baht (Two Hundred and Fifty-Seven Million, Six Hundred and Two Thousand, Four Hundred and Twenty-Three Baht and Sixteen Satang) with the dividend payout ratio of 46.68 percent, which is lower than the rate of not less than 50 percent of net profit as prescribed in the dividend policy for the Company shall reserve of funds for working capital. According to the resolution of the Board of Directors’ Meeting No. 4/2014, held on August 6, 2014, that approved to propose the Extraordinary General Meeting of Shareholders No.1/2014 on September 12, 2014, to consider and approve the interim dividend payment from the first six-month operating result of 2014 (For the period of January 1, 2014 – June 30, 2014) and retained earnings to shareholders by paying in stock dividend at the ratio of 5 existing ordinary shares for 6 stock dividend or at Baht 0.12 per share (Twelve Satang) and in cash at the ratio of 0.02 Baht (Two Satang). The dividend payments as abovementioned at the ratio of 0.14 Baht (Fourteen Satang) was equivalent to 196,000,000 Baht (One Hundred and Ninety-Six Million Baht). The interim dividend payment was already paid to the existing shareholders on September 24, 2014.

Thus, in case of approval, the final dividend payment shall be paid at the ratio of 0.02 Baht per share and must be approved by the 2015 Annual General Meeting of Shareholders.

Details of final dividend amounting to 0.02 Baht per share as said above can be summarized as follows:

	Amount per share	Total
1. The dividend is paid from net profit of the second half of 2014 (during July to December 2014) operating results which is subject to corporate income tax of 20%. Individual shareholders shall be entitled to a tax credit in accordance with Section 47 bis of the Revenue Code.	0.01 Baht	30.80 million Baht
2. The dividend is paid from dividends income for operating results of subsidiaries under BOI privileges (without tax credit).	0.01 Baht	30.80 million Baht
Total	0.02 Baht	61.60 million Baht

The Company had fixed the record date to determine the names of the shareholders entitled to receive dividend on Thursday, March 12, 2015. The Company had also approved the collection of the shareholders' names, as stipulated in Section 225 of the Securities and Exchange Act, by means of closing the share registration book for the right to receive the dividend for the year 2014, on Friday, March 13, 2015 and dividend payment date was fixed on Friday, May 20, 2015. Such right offering was tentative as it must be approved by the shareholders' meeting that day.

Detailed comparison between the 2014 and 2013 dividend payment was presented in page 3 of the 2015 notice that was sent to all shareholders.

The Chairman allowed the shareholders to show their opinion and raise questions concerning this agenda.

Mr. Hungchai Akkawassakul, a minor shareholder from Thai Investors Club which was already established as Thai Investors Association (TIA), informed the meeting that TIA had unanimous resolution to agitate for the fixing of Ex-Dividend (XD), Ex-Rights (XR), Ex-Warrant (XW) Dates by a resolution of the meeting of shareholders instead. The Board of Directors' resolution approving thereof affected the rights of MONO-W1 holders, who exercised their warrants during March 24-27, and 30, 2015, to be ineligible for dividends due to their unawareness of accurate information. Thus, minor shareholders' right should be protected in the shareholders' meeting and all important dates relevant to rights of shareholders should be fixed by a shareholders' meeting and adopted as a resolution. The additional burden caused to the Company was only some expenditure for extra closing of share registration book.

Furthermore, Mr. Hungchai expressed his compliment concerning the dividend payment which reflected the Company's good vision to enlarge its capital base. Also the dividend payment table was presented with clear details in the 2015 AGM notice. In addition, he also made a request to the independent directors and the Audit Committee, who functioned as representatives of all shareholders, to protect the rights of shareholders in the Board of Directors' meeting. Another suggestion was made concerning the dividends that next year should be paid in cash rather than in stock.

Mr. Pete Bodharamik, Chairman, stated that the Company would take those suggestions into consideration and hereby affirmed that the Company's XD announcement was conducted in compliance with the procedures as prescribed by the laws and the rules of SET. Concerning the dividend payment, the Company promised that though this final dividend was not in considerable amount due to the fact that the Company was executing the expansion on digital TV, the best effort shall be put to maximize the return to all shareholders.

When no more recommendations and questions related to this agenda were made, the Chairman proposed the shareholders' meeting to vote.

Resolution of the meeting:

The shareholders' meeting approved the allocation of net profit as legal reserve and the dividend payment for the year 2014 as reported in details above by the Company Secretary. The resolution was passed by the majority vote of the shareholders, attending the meeting and voting. The meeting resolution was as follows:

Resolution	Number of Votes (1 Share = 1 Vote)	% of total shares of the shareholders attending the meeting and voting

2. Disagree	1,165	0.0000
3. Abstain	6,568,700	-
4. Invalid Ballots	0	-
Total 400 Shareholders	2,498,491,946	-

Agenda 5 To consider an appointment of the auditor and to fix the audit fee for the year 2015

The Company Secretary informed the meeting that according to Section 120 of the Public Limited Company Act B.E. 2535 which requires that each year, the annual general meeting of shareholders appoint an auditor and fix the remuneration thereof and by the suggestion of the Audit Committee, the Board of Directors has considered this matter and deemed it appropriate to propose the shareholders' meeting to approve the appointment of the following auditors from EY Office be the auditor of the Company for the year 2015 :

- | | | | |
|-----------------|--------------|--|-------------|
| 1. Mr. Supachai | Panyawattano | Certified Public Accountant (Thailand) | No.3930, or |
| 2. Ms. Siraporn | Ouaanunkun | Certified Public Accountant (Thailand) | No.3844, or |
| 3. Ms. Waraporn | Punnopakorn | Certified Public Accountant (Thailand) | No.4579. |

Mr. Supachai Panyawattano was the auditor who signed on the financial statements of the Company/subsidiaries for the year 2013 and 2014, totally two year, and who has been well performed, while Ms. Siraporn Ouuanunkun and Ms. Waraporn Punnopakorn have never signed on the financial statements of the Company/ subsidiaries.

These auditors from EY Office Limited have a lot of audit experience as they have worked for many companies and are well recognized by several organizations. They have independence in performing their tasks.

The auditors whose names proposed above have neither the relationship nor any interest with the Company/subsidiaries/executives/major shareholders or related persons of these persons. Besides, they belong to the same company with the auditors of the Company's subsidiaries.

Moreover, the Board of Directors deemed it appropriate to propose the shareholders' meeting to approve fixing the annual audit fee for the year 2015 in amount of 1,160,000 Baht. The audit fee is increased by 100,000 Baht or 9.43 percent since the amount of reviewing and auditing works has been increased. During the past year, the Company has never taken other services from EY Office Limited and from other individual or audit office relevant to the auditors and EY Office Limited. For benefit of shareholders, the Company herewith submits the profiles of those three auditors as Enclosure 3 of the 2015 AGM notice.

The Chairman allowed the shareholders to show their opinion and raise questions concerning this agenda.

Mr. Hungchai Akkawassakul, a minor shareholder from Thai Investors Club, suggested the Audit Committee to monitor and negotiate with the auditor company concerning the audit fee which should not be higher each year. For the past year, the higher audit fee was acceptable due to the investment on digital TV business that produced more audit tasks.

Mr. Pete Bodharamik, Chairman, stated that the Company would take this suggestion into consideration.

When no more recommendations and questions related to this agenda were made, the Chairman proposed the shareholders' meeting to vote.

Resolution of the meeting:

The shareholders' meeting approved the appointment of the auditors from EY Office Co., Ltd. whose names appear above as the auditor of the Company for the year 2015 and fixed the annual audit fee for the year 2015 at the amount of not exceeding 1,160,000 Baht. The resolution was passed by the majority vote of the shareholders, attending the meeting and voting. The meeting resolution was as follows:

Resolution	Number of Votes (1 Share = 1 Vote)	% of total shares of the shareholders attending the meeting and voting
1. Agree	2,490,605,472	99.9442
2. Disagree	1,391,000	0.0558
3. Abstain	6,618,700	-
4. Invalid Ballots	0	-
Total 418 Shareholders	2,498,615,172	-

Agenda 6 To consider and approve the election of directors to replace those who retire by rotation

The Company Secretary informed the meeting that according to Article 17 of Articles of Association of the Company, “At every annual general meeting, one-third (1/3) of the directors shall retire from office. The director who has been in the office for the longest term shall firstly be retired. If their number is not a multiple of three, then the number nearest to one-third must retire from office. The retiring director is eligible for re-election. The directors who retire by rotation in the first and second year after becoming a public company shall be drawn by lots. After that, the directors who have been in office the longest shall retire first.” For 2015 which is the third year after becoming a public company, there are 9 director positions. Thus, three directors retiring by rotation shall be considered based on the longest terms of office in directorship. Thus, the following 3 directors who have to retire from office are :

1. Mr. Navamin Prasopnet
2. Mr. Sang Do Lee
3. Mr. Komsak Wattanasriroj

The Board of Directors has considered and agreed with the Remuneration and Nomination Committee’s opinion to propose the shareholders’ meeting to approve the re-election of the 3 directors to directorship for another term as in view of the Board, these directors possess the qualifications, knowledge, ability and experiences which are useful for the Company’s operation.

The profile and preliminary details of the directors who retired by rotation and were proposed for the re-election were shown in Enclosure 4 of the 2015 AGM notice.

To elect the directors to replace those who retired by rotation, the shareholders may exercise their votes to elect an individual director. The election should be made in accordance with the Company’s Article 16 of Articles of Association.

When no more recommendations and questions related to this agenda were made, the Chairman proposed the shareholders’ meeting to vote for electing one director at a time.

More details were shown in the Capital Increase Report Form or F53-4 (Enclosure 5), page 30 of the 2015 AGM notice.

The Chairman allowed the shareholders to show their opinion and raise questions concerning this agenda.

Mr. Hungchai Akkawassakul, a minor shareholder from Thai Investors Club, suggested the shareholders to consider the statement "... for private placement offering and at the offering price of not lower than 90 percent of the average market price per share.", which was the condition that Thai Investors Club disagreed because the existing shareholders would be disadvantaged. Since a number of shareholders made petitions to Thai Investors Association, this matter was submitted to SET and SEC for considering about the impact that minor shareholders had faced as a result. Besides, he proposed that the Private Placement investors should be controlled by the silent period rules. He stated his intentions to promote the good governance in SET, and to protect the shareholders' rights related to the capital increase under a general mandate and the private placement offering; and expectation to see the listed companies' strong capital base that was raised through a fair and lawful approach.

Miss Patcharin Chanmetha, a minor shareholder, ask the Chairman to clarify the details of this general mandate. She exemplified that some companies used the condition of offering price of not lower than 90 percent of the average market price per share, which caused the falling of share price. Consequently, the minor shareholders had suffered a loss.

Mr. Chawalit Visarankul, a minor shareholder, made an enquiry on the purpose of this capital increase. In case that the Company needed to enlarge capital base, he wondered what was the reason for offering to private placement investors instead of existing shareholders.

Ms. Suksan Chunsinlapawet, a minor shareholder, made an enquiry on the initial price of these shares offered to PP investors. Also suggestion was made that the silent period should be applied for these shares.

Mr. Pete Bodharamik, Chairman, clarified that the purpose of this capital increase under a general mandate mainly involved in the future business expansion and the number of offered shares was less than 10 percent. On this occasion, the Company also aimed to seek for potential strategic partner in order to facilitate the expansion of businesses which supported the Company's existing ones. The Chairman insisted that the negotiation would be based on the Company's benefits and it would become another step of our growth. According to the 2014 annual report, the Company's value had been increased in various aspects; the capital and assets had increased in consistence with an exceptional performance of digital TV business, which would be presented by the executives later. The Chairman also confirmed that the silent period would be applied to the private placement offering. Finally, the condition "... for private placement offering and at the offering price of not lower than 90 percent of

the average market price per share.” was only the minimum benefit that may be or not be used, depending on the satisfaction of negotiation.

When no more recommendations and questions related to this agenda were made, the Chairman proposed the shareholders’ meeting to vote.

The Chairman offered the shareholders a chance to propose other issues for consideration. None of the shareholders proposed any other issues for the meeting's consideration. Nevertheless, shareholders expressed their opinions and made additional inquiries, as follows:

Mr. Hungchai Akkawassakul, Minor Shareholder from Thai Investors Club, made an enquiry concerning the adjournment of digital TV license fee payment and the advantage the Company gained from this postponement.

Mr. Chawalit Visarankul, Minor Shareholder, would like to know how the amortization expense on the digital TV license fee of 2,250 million Baht was calculated as well as the network service fee to be paid per year.

Mr. Sang Do Lee, Chief Executive Officer, clarified that the 15-year straight-line amortization method was applied to the payment of the digital TV license fee. The terms of payment was totally due within 6 years. The most recent installment payment at approximately 301 million Baht was scheduled in May 2015. However, the National Broadcasting and Telecommunications Commission (NBTC) had just announced the postponement of digital TV license fee payment. The Company had to wait for the result of public hearing, to be held soon, whether or not there be a decrease of fee or adjournment of payment. Concerning the network service fee, the contract stated that when the network coverage was fully established, the Company would have to pay approximately 5 million Baht per month, or equivalent to 60 million Baht per year.

Mr. Pete Bodharamik, Chairman, added that the Company already prepared the finance for license fee payment. Moreover, the ratings of MONO29 channel reflected satisfactory performance as well as the revenue from TV advertising seemed remarkably growing.

Mr. Panachai Korsawatworakun, a proxy holder from Thai Investors Association, made two inquiries, as follows:

1. Concerning content acquisition for digital TV business, Mr. Panachai would like to know whether the Company directly dealt with a film studio or used an agency, as well as the degree of bargaining power.
2. The progress of implementation of anti-corruption program

Mr. Pete Bodharamik, Chairman, clarified that the Company acquired all licenses of contents directly from the big film studios such as Sony Pictures Entertainment, Paramount Pictures, Universal Studios. Agencies had involved in some cases. The Chairman pointed out the Company's strong points in terms of content library. Not only the popular contents that tended to drive the channel's rating had been selected but the acquisition would be considered on the overall basis. The terms for those contents would averagely last for 7-10 years. Currently, the Company had acquired the most number of contents from overseas.

Mr. Soraj Asavaprapha, Vice Chairman, answered this question as Chairman of Risk Management Committee that the Board of Directors had considered this matter and declared its intention to participate in Thailand's Private Sector Collective Action Coalition Against Corruption, of which details related to the participation and action were stated in page 106 of the 2014 Annual Report.
