To: President  
The Stock Exchange of Thailand

Reference is made to the Notes to the Financial Statements for the year ended 31 December 2024, Item 14: Long-term loans from banks, which state that the subsidiaries were unable to comply with certain requirements stipulated in the loan agreements and their amendment agreements. As a result, the banks may exercise their rights under these agreements, including demanding full repayment of the debts.

The Company would like to inform you that the subsidiaries have submitted requests for waivers of certain requirements to the banks. The subsidiaries have now received approval for these waivers and have executed amendment agreements with the banks in the first quarter of 2025. Therefore, the Company is not in default on the loan repayment.

Please be informed accordingly.

Yours sincerely,
